*Tables of Past Champions
CVSA in State & National Tournaments
Honorary Lifetime Members
November 2023*

The CVSA has four major championships it awards each calendar year, the competitions for which are open to all member teams. These titles are: Premier Division Spring Champion, Premier Division Summer Champion, Premier Division Fall Champion, & CVSA Cup Champion.

After the 1993-'94 season, two changes were made: (1.) The top division was re-named the Premier Division, where it had been known as the First Division from the league's inception in 1975; and (2.) Instead of one long regular season ("Primary" in the CVSA Bylaws) stretching from September to May, the regular season was split into fall & spring sessions, each crowning a separate champion.

The COVID-19 Pandemic caused the cancellation of the Spring '20 Regular Season, and Summer '20 season. As the 2020-'21 regular season was conducted as a 7-a-side competition, the 2020-'21 CVSA Cup was canceled.

The Fall '01 title was vacated because the winners had a large financial balance with the CVSA, which remains to this day.

The COVID-19 Pandemic caused the cancellation of the Spring '20 Regular Season, and the Summer '20 season.

In Summer '12 there was no First Division, as too many teams complained about being pulled up, so in order to placate the dissenters, they were all dropped to the Second Division. For the purposes of these archives, for the Summer '12 season all divisions below Premier are retroactively advanced, as the Second Division that season fielded teams that would have been normally in the First Division, and so on down the divisions.

The Summer '01 title was vacated because the winners had a large financial balance with the CVSA, which remains to this day.

The Coed Divisions have gone by many different names over time ("Red", "White", "Blue"; "Competitive", "Semi-Competitive", "Recreational", "Leisure"). This chart aims to order the divisions by the competitive level during the specific season listed, even though the division may have been played under a different name, at the time, than listed on this table.

The CVSA last contested a Coed Second Division during the Summer '19 season.

The COVID-19 Pandemic caused the cancellation of the Spring '20 Regular Season, and the Summer '20 season.

In Summer '15, the Coed Competitive was called due to darkness, and the two teams listed declared co-champions.

In Summer '12, there was a Recreational "A" & Recreational "B" Division, constituting the third and fourth coed divisions that season; the champions of both are listed on the table.

USASA National Amateur Cup, MDCVSA State Finalists

- 2004-'05 Fan Rats

Starting with the 2012-'13 season, it was decreed that MDCVSA State Cup Champions (State Cup, Veterans Cup, Women's Cup, etc.) would be the MDCVSA's automatic representative to the USASA National Amateur Cup Region I Tournament. The state-level qualifying tournament for the USASA National Amateur Cups was thus eliminated.

The MDCVSA's fiscal & operating 2016-'17 year was extended to December 31, 2017. Starting in 2018, the MDCVSA followed the lead of the USSF & USASA and changed to a calendar fiscal and operating year.

The 2020 USASA National Amateur Cup and 2020 USASA National Amateur Veterans Cup were cancelled due to the COVID-19 Pandemic. 2019 MDCVSA State Cup Champions (LOKO FC) and 2019 MDCVSA Veterans Cup Champions (Renegades) were thus given berths in the 2021 Region I National Cup Qualifiers. LOKO FC disbanded and yielded their spot to Sporting 804.
