The CVSA is using a new text message alert system for the Spring '21 season and onward, as it is incorporated into our new SportsEngine Registration System. In order to receive text messages, all players must **opt-in**. The instructions to opt-in are as follows:

1. Log in to your SportsEngine profile and go to the [Account Settings tab of your user dashboard](#).
2. Click "**Add Mobile Phone**" if your phone number is not already there.
3. Enter your phone number and click "**Submit**".
4. Check your phone for the validation code.
5. Enter the validation code and click "**Submit**".
6. Check the box with your phone number under "**Notification Settings**".

Below you will find an example of how the text messages will arrive.
